## ABOUT US

Arkote is Australia's most specialised, innovative and focused surface treatment and coating operations. Based in Adelaide, South Australia and established in 1976. Arkote has developed an enviable reputation for superior, outstanding customer service and high quality workmanship servicing a range of industries across Australia.

If your needs demand a specialised coating or intricate application process, we are the team for you! At Arkote, we are equipped to handle both high volume work production as well as batch processing and understand the importance of quality and delivery to the success of the project.

We have the capacity to cure articles up to 12 meters in length and 2.4 meters in width.

### WE ARE APPROVED APPLICATORS FOR:

- Akzo Nobel InterponSteelplex™
- Ruby SystemSteelplex™
- Diamond 5 SystemSteelplex™
- Diamond 10 SystemMetaplex™
