Enter Arkote - your destination for premium coating solutions. Our expertise lies in delivering architectural high-performance coatings, meticulously applied by our expert team to guarantee exceptional durability and unparalleled aesthetics. From protecting industrial structures to fortifying exteriors, Arkote offers unlimited applications to meet your coating needs.

Trust us to make things last and look fantastic!

About Us

Arkote, established in 1976 in Adelaide, South Australia, began as a family paint shop and has evolved into a leading surface treatment and coating operation. With a focus on premium coating solutions, we boast a skilled team with decades of experience, ensuring superior service and high-quality workmanship across various industries.

As part of our total care service, we offer pick-up and delivery of your goods. This means not only receiving superior coatings but also enjoying the convenience of free transport. We're here for you every step of the way!
